Dear Doctor:

Your letter of February 17th received. I had not answered sooner as I have been to our League Meeting in Chicago, where we drew up the schedule, and have just returned.

In planning my trip back from Training Camp, I find that I would like very much to play in Goldsboro on Tuesday, April 30th or Wednesday, May 1st. I do not know until I see your schedule whether the Park will be open those days, but you can possibly find out.

I would appreciate very much having you send me a schedule of your League. Please let me hear from you as soon as possible, as I am anxious to get my dates lined up.

Yours very truly,
